

2020 Mid-Atlantic Quilt Festival

Song Title Quilt Challenge

Music is connected to events, people and times in our lives. When I listen to the radio and hear music from the 60's, I am transported back to my teenage years. Every decade has songs that transport me back through time when I hear them.

Pick a song that you love, that has special meaning, or that you just love to sing along with. Your theme can use any part of the song you wish: one verse, just the chorus, or the topic of the song. You could even use an record album cover. Be creative and have fun with it.

Requirements:

1. Artist Statement – should include a title and the words to the song. Include a brief statement of what this song means to you. Also include the pattern name and designer, if applicable, and the quilter's name if you don't do the work yourself.
2. 4 inch hanging sleeve attached to quilt. Instructions can be found at <http://www.bluemoonriver.com/assets/quiltsleeve.pdf>
3. Quilt size – NO WIDER THAN 36" at the top of the quilt for uniformity in hanging the exhibit. Can be square or rectangular.
4. Required Element – Quilt must incorporate variegated thread in some fashion.
5. Optional Elements - Name of song or selected words can appear on the quilt instead of in the Artist Statement.

Due Date: TBD later in the year.

Questions: Call or text Nan Teare 703.984.9685. No emails please.
